Purpose:

The Events Support Task Force acts as hostess for all functions. The task force is responsible to coordinate with the President and the Administrative Manager for room decorations and/or themes. All plans and times should be coordinated with the State President and Administrative Manager. This task force, along with the President, is responsible for planning the installation banquet held in January during the Florida Realtors Mid-Winter Convention, assisting the Vice President as needed with the Strategic Partner Reception and Recognition Ceremony at State Meetings and coordinating the Local Chapter President's participation for the marketing booth at the Annual Convention in August. The committee will also check when a flag is needed for placement in the room. Responsible for the Safeguard of Equipment until given to the Chair of the Technology Committee.
