**PURPOSE:** This committee is responsible for the identification, development and positioning of qualified members from the local and state networks for leadership opportunities, insuring that the organization has a strong talented cadre of members interested in developing their leadership skills.

### **SPECIFIC GOALS FOR 2018:**

- Observe/scout potential leaders for local and state leadership opportunities and share observations with the local/state leadership.
- Provide guidance to Florida State members wishing to obtain national chairmanships and committee involvement.
- Ensure funds are provided for National candidates.
- Develop and provide input to the State on a leadership training program that meets the needs of the members and further develops leadership involvement and skills.
- Assign committee members to local networks to act as a coach/guide in the area of leadership development.
- Intentionally cultivate local presidents for future contribution at the state level.
- Be familiar with the opportunities for leadership at all levels of Women's Council.
- Identify and submit to National 10 member recommendations for volunteer opportunities for the following year by May 2, 2018. Resumes' to be submitted by Committee Chair.
- Interview any qualifying candidates interested in running for National Line Officer. The committee is charged with assuring that members have an understanding of and access to, leadership opportunities across the organization, the industry and the communities they serve.
