### **Purpose:**

To identify, engage and develop women for leadership opportunities within their companies, organizations, industry and various aspects of the community. To empower and promote women to exercise their leadership potential, encourage entrepreneurship and influence positive change.

### **Specific Goals for 2018:**

- Facilitate effective forums highlighting Women's Council of REALTORS® Local and State leadership role positions to encourage council members to become involved in leadership at various levels within their industry, council and communities.
- Identify and present leadership skills which create the foundation for advancement in all aspects of professional and personal growth for motivating a team, visioning, mentoring and negotiating.
- Create opportunities for members to participate in leadership team building activities. Great Leaders are born from great followers.
