Purpose:

The Advisory Council will keep the Florida State Presidents engaged and informed and provide advice and/or support to the current President and leadership team. The group will meet one time a year for lunch at the August State Meetings. The current State President will give a state network update and ask for input as needed.

Specific Goals for 2019:

Review Standing Rules to update language to current usage, such as chapter to network; when an acronym is present, add the full name; etc.
